WONDER OF READING GRANT

Congratulations! Welby Way received a \$5,000 grant from the Wonder of Reading Organization to supplement our library with wonderful new books. We would like to thank Judy Lyttle and Molly Schroeder for their hard work in submitting the grant during the summer on our behalf. The Wonder of Reading's General Literacy Grant for "Science Fact and Science Fiction" books will enrich our library's resources for years to come. Welby Way was one of few schools in LAUSD to receive this grant. We thank the Wonder of Reading Organization for their generosity.
