School Categorical Budget 2007-2008 - Dustin Merritt: Handout distributed outlining the 2007-2008 categorical budget.

Explanation of the various breakdowns and subgroups of the budget. Discussion of areas where we are lacking, with the focus being technology and the fact that the computer lab is very outdated. Also discussion of the desire for funding of a part-time reading intervention teacher, more assemblies, and other areas that we would like to fund, but simply cannot.

Ken Keyser motioned to approve the budget as outlined in the handout; seconded by Mauricio Aranda.

Meeting adjourned at 8 pm. Next meeting June 12, 2007.
